Working Women

**November 4,
2003**

Miss Congeniality (2000)

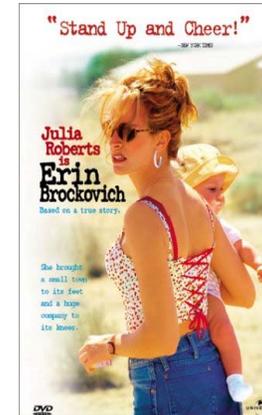

Sandra Bullock plays an FBI agent who must discover who's behind the threats to a beauty pageant. A comedy well received by audiences. Michael Caine's supporting role received praise.

**November 11,
2003**

Disclosure (1994)

Michael Douglas and Demi Moore star in this slick film about business, gender roles and sexual harassment. Based on Michael Crichton's book, the suspense will keep you on the edge of your seat!

**November 18,
2003**

Erin Brockovich (2000)

Based on the true story of a young woman who battles big business, Julia Roberts stars in this comedy-drama. An inspiring story of courage that shows how one person can make a difference.
